O
AMENDMENT
Administrative Order PC-146

Gentlemen:

P
Y
Reference is made to your letter dated August 23, 1967, wherein you request an amendment to Administrative Order PC-146 which authorized the commingling of Blinbry, Drinkard, and Devonian production, North Justis Field, on your State of New Mexico "BZ" Lease after separately metering the production from each pool. It is our understanding that all production on said lease is now of marginal nature and you therefore wish to discontinue metering the production prior to commingling.

Administrative Order PC-146, dated July 9, 1963, as amended September 10, 1963, is hereby further amended to delete the metering requirement.

Very truly yours,

A. L. PORTER, Jr.
