OIL CONSERVATION COMMISSION

P. O. BOX 871

SANTA FE. NEW MEXICO

July 10, 1963

Gulf Oil Corporation P. O. Box 98 Andrews, Texas

Attention: Mr. Fred G. Courtney

Administrative Order PC-151

Gentlemen:

Reference is made to your application dated June 17, 1963, for administrative approval of an exception to Rule 303 (a) of the Commission Rules and Regulations to permit the commingling of the production from the Allison-Abo and Allison-Pennsylvanian Pools on your Federal Mills Lease comprising the HW/4 of Section 11, Township 9 South, Range 36 East, Lea County, New Mexico, allocating the production on the basis of periodic well tests. It is our understanding that the production from both pools on this lease is marginal.

By the authority vested in me under the provisions of Rule 303 (b) of the Commission Rules and Regulations, you are hereby authorised to commingle the production from the aforesaid pools on said lease in the above-described manner. Provided however, that the installation shall be operated in accordance with the provisions of the Commission "Manual for the Installation and Operation of Commingling Facilities"; and provided further, that you shall immediately notify the Commission at such time as any well in either pool is capable of top allowable production.

As to Order No. R-1795, issued October 11, 1960, the commingling authority and the ACT authority portions of that order are hereby rescinded.

Very truly yours,

A. L. PORTER, Jr. Secretary-Director
