AMENDMENT

Administrative Order PC-165

O Gentlemen:

P Reference is made to your letter dated December 21, 1970, requesting the amendment of Administrative Order PC-165 which authorized the commingling of Vacuum-Abo, Vacuum-Wolfcamp, and Vacuum-Glorieta production on your State H-35 Lease after separately metering the production from each pool.

P It is our understanding that all production going into this commingle installation is of marginal nature and that you wish the metering requirement deleted from the subject order.

Y Administrative Order PC-165 is hereby amended to delete the metering requirement.

Very truly yours,

A. L. PORTER, Jr.
