Attention: Mr. A. L. Porter, Jr.,  
Secretary-Director

Gentlemen:

Continental Oil Company respectfully requests that administrative order PC-165 be amended to remove the requirement for individual zone metering of the Vacuum Abo, Vacuum Wolfcamp, and Vacuum Glorietta Pools on the State H-35 Lease. No well is at top allowable in these pools on our lease nor is remedial work anticipated. The attached tabulation shows the latest test of wells on the lease in the above pools.

Yours very truly,
