AMENDMENT
Administrative Order PC-192

Gentlemen:

P
Reference is made to your application dated May 12, 1966, for an amendment to Administrative Order PC-192 which as amended authorizes the commingling of Skaggs, Skaggs-Drinkard, and East Weir-Tubb production on your L. R. Kershaw Lease without separate measurement. It is our understanding that you now wish to include the condensate from the East Weir-Blinebry Pool in the aforesaid commingling installation.

Y
Inasmuch as the production from the East Weir-Blinebry is also of marginal nature, you are hereby authorized to include said pool in the commingling installation authorized by Administrative Order PC-192, subject to the provisions of the Commission "Manual for the Installation and Operation of Commingling Facilities," and provided further, that you shall notify the Commission at such time as any well in any of the aforesaid pools is capable of top allowable production.

Very truly yours,

A. L. PORTER, Jr.
Secretary-Director
