Attention Mr. A. L. Porter, Jr.,
Secretary Director

Gentlemen:

Subject: Administrative Order PC-250

Administrative Order PC-250 was amended by letter dated November 6, 1970. It has been called to our attention that the amended order refers to Skaggs Drinkard production rather than Skaggs Grayburg. It would be appreciated if you would correct the amended order to provide for commingling of undesigned Tubb production, undesigned Blinebry production and the Skaggs Grayburg production. Incidentally, the Tubb production, which was undesigned at the time of the original order, has now been designated Weir-Tubb, East.

Yours very truly,

A handwritten signature in dark ink, appearing to read "G. C. Jamieson", written over a horizontal line.
