Attention: Mr. W. F. Burns

Administrative Order IC-261

Gentlemen:

Reference is made to your application dated April 26, 1965, for administrative approval of an exception to Rule 303 (a) of the Commission's Rules and Regulations to permit the commingling of Blinebry and Drinkard production on your State 367 Lease comprising the N/2 S/2, SW/4 NE/4, and E/2 NE/4 of Section 36, Township 21 South, Range 37 East, Lea County, New Mexico, after separately metering the Drinkard production and determining the Blinebry production by means of the subtraction method.

By the authority vested in me under the provisions of Rule 303 (b) of the Commission's Rules and Regulations, you are hereby authorized to commingle the production from the aforesaid pools on said lease in the above-described manner. Provided, however, that the installation shall be operated in accordance with the provisions of the Commission's Manual for the Installation and Operation of Commingling Facilities, including the requirement for non-reset counters on the meters. Please notify the Hobbs District Office at such time as this installation is complete in order that an inspection may be made of the installation prior to putting it in operation.

Very truly yours,

J. L. Porter, Jr.
Secretary-Director

JOINT CONSERVATION COMMISSION

P.O. BOX 2009

SANTA FE, NEW MEXICO

Dear Sirs:

Very truly yours,

Yours

Very truly yours,

I am pleased to hear that you are interested in the proposed joint conservation commission between the State of New Mexico and the State of Texas. The purpose of this commission is to coordinate and promote the conservation of the natural resources of the two states, and to provide for the protection and management of the public lands of the two states. The commission will be composed of representatives from the two states, and will be authorized to make recommendations to the respective legislatures regarding the conservation of the natural resources of the two states.

The commission will be authorized to make recommendations to the respective legislatures regarding the conservation of the natural resources of the two states. The commission will be authorized to make recommendations to the respective legislatures regarding the conservation of the natural resources of the two states. The commission will be authorized to make recommendations to the respective legislatures regarding the conservation of the natural resources of the two states. The commission will be authorized to make recommendations to the respective legislatures regarding the conservation of the natural resources of the two states. The commission will be authorized to make recommendations to the respective legislatures regarding the conservation of the natural resources of the two states.
