Attention: Mr. Daniel S. Nutter

Dear Sir:

As requested in your letter of June 24, 1968, above subject, attached please find 60 day production record for various Gulf Oil Corporation leases on which we are requesting permission to discontinue the metering systems and determine the production by periodic well tests. This information was not submitted with our initial request dated June 4, 1968.

If additional data are needed, please advise.

Yours very truly,

Re: Commingling Orders - Various  
Gulf Oil Corporation Leases

Mr. A. L. Porter, Jr.  
Oil Conservation Commission  
P. O. Box 2088  
Santa Fe, New Mexico 87501

Dear Sir:

Various orders as outlined on the attached tabulation granted Gulf Oil Corporation permission to commingle oil production on leases in Lea County, New Mexico.

At this time, there are no wells producing top allowable from these leases. Permission is requested to discontinue the metering system and determine the production by periodic well tests in accordance with the Commission "Manual for the Installation and Operation of Commingling Facilities".

Yours very truly,
