Attention: Mr. R. C. Anderson

Lease Name: Eaves
Description: E/2 NE/4 of Sec. 10, T-22-S, R-37-E, Lea County

The above-named company is hereby authorized to commingle production from the following pools

Blinebry, Tubb, Drinkard, Wantz Granite Wash, and Wantz Abo

in a common tank battery, and to determine the production from each pool by

___ separately metering the production from each pool prior to commingling

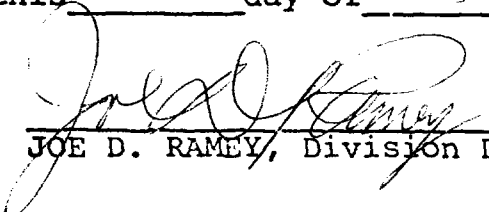

___ separately metering the production from
and determining the
production by the subtraction method

X well tests (if this method is to be authorized, all commingled production must be of marginal nature; further, the operator shall notify the Santa Fe Office of the Division in the event any well producing into the commingled battery becomes capable of top allowable production, at which time the Division will amend this order or take such other action as may be appropriate)

Note: This installation shall be installed and operated in accordance with the applicable provisions of Rule 303 of the Division Rules and Regulations and the Division "Manual for the Installation and Operation of Commingling Facilities." It is the responsibility of the producer to notify the transporter of this commingling authority.

REMARKS: Prior to this amendment, PC-569 approved commingling of Blinebry, Drinkard, and Granite Wash production only. High pressure gas from the Blinebry and Tubb shall each be metered separately.

DONE at Santa Fe, New Mexico, on this 31st day of August, 1981.
