AMENDMENT
Administrative Order PLC-5

Gentlemen:

Reference is made to your letter dated September 26, 1963, wherein you request an amendment to Administrative Order PLC-5 to permit the commingling of Hobbs Pool production from your State "A" Tract 7 and your State "A" Tract 8 prior to metering and commingling with various other leases in the Hobbs and Bowers Pools, Lea County, New Mexico.

Inasmuch as both tracts are the same basic lease and the Commissioner of Public Lands for the State of New Mexico has, by letter of August 29, 1963, approved said commingling without measurement, Administrative Order PLC-5 is hereby so amended. Provided however, that the combined production from the State "A" Tract 7 and State "A" Tract 8 wells shall be metered prior to commingling with the production from the other leases and the other pools.

Your proposed revision in the treating facility arrangement on your Leech R/A "A", Leech R/A "B", and B. H. Turner Tract 2 (Bowers) Leases, also as set forth in your letter of September 26, are hereby approved.

Very truly yours,

A. L. PORTER, Jr.
Secretary-Director
