Attention: Jerry W. Hoover

Dear Mr. Hoover:

Reference is made to your request dated August 9, 1991, to surface commingle Warren McKee Pool production from the Burger B-20 Well No. 4 with the previously approved Southeast Monument McKee, Blinebry, and Warren Tubb Pool production. Please be advised that Division Rule No. 309 (B) requires that all parties owning an interest in the leases have consented or have been notified of the proposed commingling. The Division considers royalty and overriding royalty interest owners as persons owning an interest in the leases. Prior to approval of your application, you will have to notify royalty and overriding royalty interest owners of your intent to commingle said production.

If you should have any questions, please contact me at (505) 827-5800.

Sincerely,

A handwritten signature in cursive script that reads "David Catanach".
