Request for Approval  
Central Metering  
Rincon Unit CDP #4  
Rio Arriba County, New Mexico

Unocal requested approval from the NMOCD, BLM and NM State Land Office to surface commingle and meter, through a central custody transfer meter, natural gas gathered and compressed by a proposed Rincon Unit, Lateral No. 4 (cover copy enclosed). This request was made in July of 1993, two months prior to project construction. Approval from the BLM was given July 27, 1993 and from the NM State Land Office August 5, 1993 (copies enclosed). Construction of lateral No. 4 is complete and it has been on line since December of 1993.

Unocal requests that your office respond now to the status of this approval.

Very truly yours,  
Union Oil of California
