Re: Application for Non-Standard Location for  
Texakoma Oil & Gas Corporation  
Texakoma La Plata 17 #1, Basin Fruitland Coal Pool  
1244' FNL 1744' FWL, C-17-T31N-R13W

Dear Ms. Wrotenbery:

Texakoma Oil & Gas Corporation hereby requests approval for an off-pattern location for its Texakoma La Plata 17 #1 well to be located 1244 feet from the north line and 1744 feet from the west line of section 17, Township 31 North, Range 13 West, in the Basin Fruitland Coal Gas Pool, San Juan County, New Mexico because of geology.

The location is near the western edge of the productive area of the Fruitland Coal formation and considered a marginal economic venture.

Exhibit A shows ridge lines highlighted in yellow of the more competent sandstone beds within the Kirtland/Fruitland Shale formations due to the settling of the San Juan Basin and/or the uplift of Ute Dome. There are low-quality coalbed outcrops in Coalbank Canyon in sections 5, 6 and 31 at the points highlighted in pink. The outcrop of the Basal Fruitland Coal formation is in Range 14 West. The wells highlighted in green were developed by the Texakoma Oil & Gas Corporation.

Exhibit B shows all the wells of record in the Basin Fruitland Coal Gas Pool in Townships 31 and 32 North, Ranges 13 and 14 West. There are no Fruitland Coal wells in the southwestern quarter of Township 31 North, Range 13 West; the northwestern half of Township 32 North, Range 13 West; or in Range 14 West of this exhibit.

Exhibit C shows the gas production from the Fruitland Coal well in Township 31 North, Range 13 West. The upper number is the recent daily average rate, and the lower number shows the cumulative production - all in Mcf values from ONGARD on September 27, 2000. The values reduce significantly as one proceeds to the south and/or to the west. Zero values indicate wells that have not reported production either from not being completed, or by lack of pipeline connection.

Exhibit D shows the names and addresses of the designated operators of the offset leases, all of which have been notified by certified mail of this application by copies posted at the time of the mailing of this application.

Exhibit E is a copy of Form C-102, Well Location and Acreage Dedication Plat.

If there are questions, please contact me by phone or fax at (505) 334-2555.
