RE: Application for Unorthodox Location
Buried Canyon "AZN" State #1, Re-entry

RECEIVED

OIL CONSERVATION DIVISION

Dear Mr. Stogner:

Yates Petroleum Corporation respectfully requests administrative approval for the unorthodox gas well location captioned above. The affected pools are the Wildcat Mississippian at 5700' +/-, Wildcat Penn at 5272' +/-, and the Wildcat Wolfcamp at 4660' +/- . All three pools call for 320 acre spacing. Yates will designate the south half of Section 19-T5S-R26E as the dedicated acreage for each pool.

Yates Petroleum Corporation is the leaseholder of Lease #VA-2482 which this well is located on. Yates are also the leaseholder of Lease #VA-2473 that is being encroached on to the North. Therefore, Yates requests administrative approval at your earliest convenience.

Re-entering this well bore would be in the best interest of conservation and also more economical than drilling a new well. Enclosed, please find a copy of the lease plat, C-101, and C-102s for the Wildcat Mississippian, Wildcat Penn, and Wildcat Wolfcamp.

Should you need anything further, please contact me at the above address or by phone at (505) 748-4347.

Sincerely

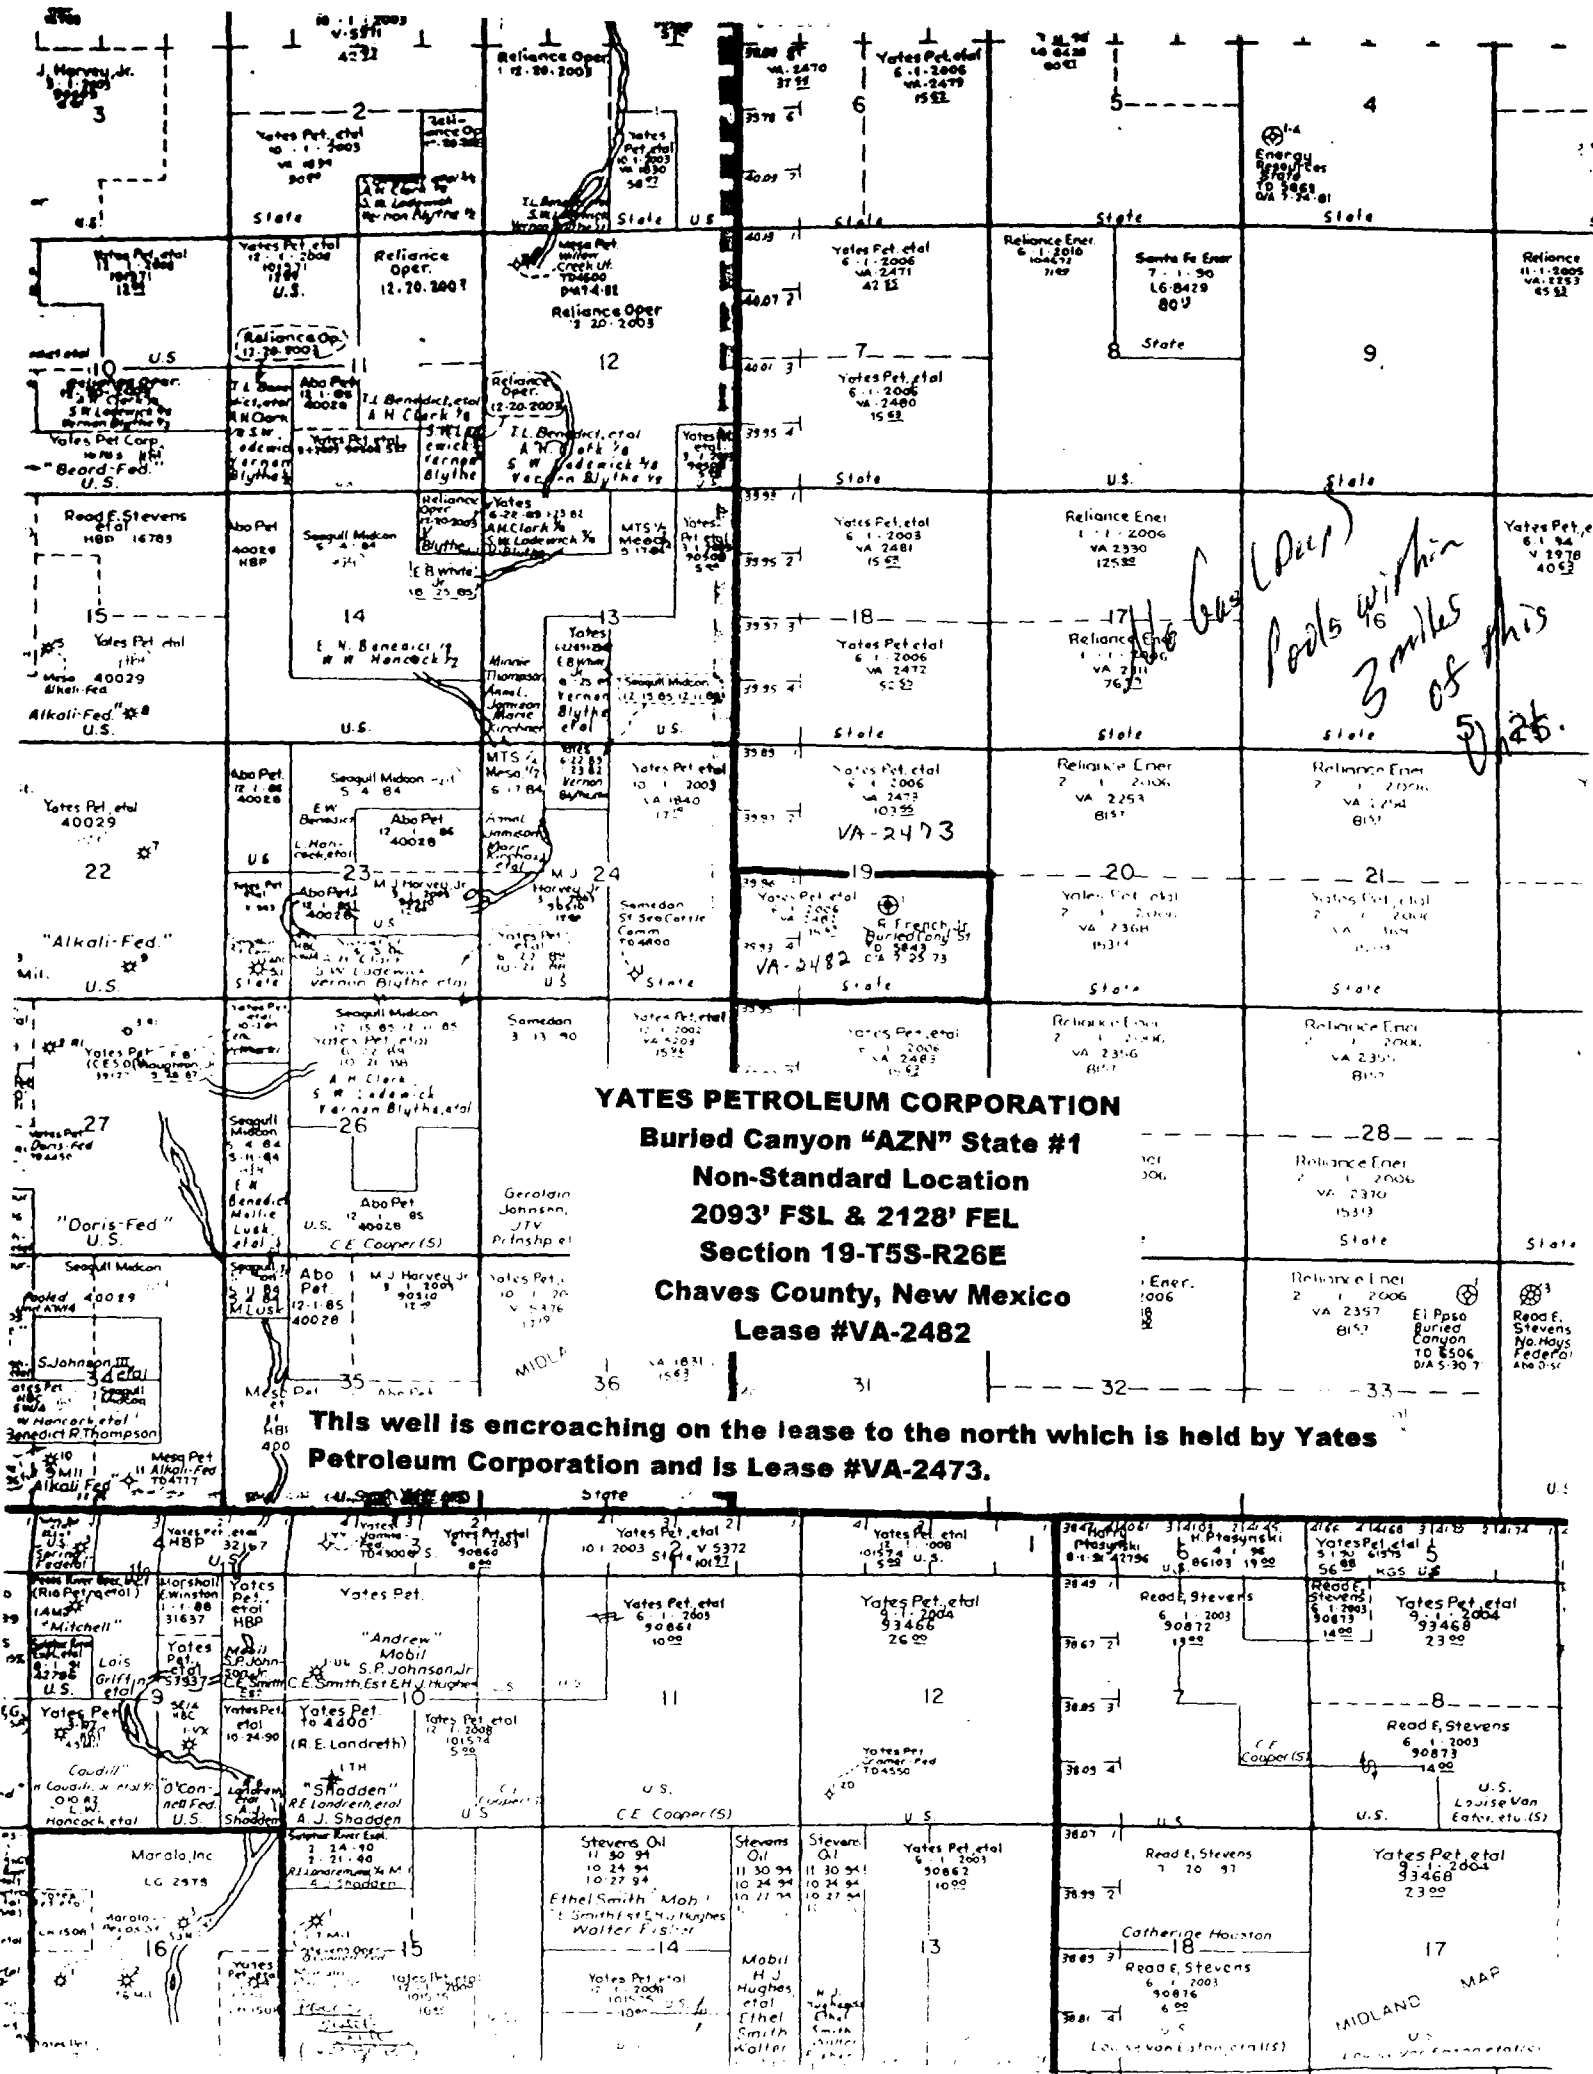

YATES PETROLEUM CORPORATION

Drilling Plans: This well was originally drilled by L. R. French, Jr. as the Buried Canyon State #1. It was plugged and abandoned in July 1973. Yates Petroleum Corporation plans to re-enter this well bore using a pulling unit and a reverse unit to drill out the cement plugs in the 8 5/8" casing and the 7 7/8" open hole to the old total depth of 5914'. A new suite of open hole logs will be ran. After circulating the hole clean a string of 5 1/2" will be ran to the total depth and cemented with enough cement to bring the top of cement to approximately 3,000'. The mud program to be used will be 9.5-9.7 ppg brine water with a 55-70 viscosity. A 3,000# BOPE will be installed on the 8 5/8" casing.

The well will be completed using a pulling unit. The well will be completed and tested in the Mississippian, and/or Penn, and/or the Wolfcamp.

For clarification of your application dated Jan. 18, 2002 for an exception to Division Rule 104.C (2) (a), it was stated that Yates is the **leaseholder** of state Leases No. VA-2482 and VA-2473. Does this mean that Yates owns 100% of the working interest in both leases? If not please identify each interest owner in both leases and show their percentage in each lease.

Re: Administrative application for an exception to Division Rule 104.C (2) (a) for the recompletion of the plugged and abandoned Buried Canyon State Well No. 1 (API No. 30-005-60266), to be redesignated the Buried Canyon "AZN" State Well No. 1, located 2093 feet from the South line and 2128 feet from the East line (Unit J) of Section 19, Township 5 South, Range 26 East, NMPM, Chaves County, New Mexico.

Dear Mr. May:

This letter acknowledges: (i) my e-mail message to you on Thursday, January 24, 2002 (see copy attached); and (ii) your administrative application dated December 4, 2001 for an unorthodox deep gas well location for the above described well. The Division received this application on January 22, 2002, and assigned it NMOCD application reference No. *pKRV0-202435463*. Please refer to this number in future correspondence with the Division.

Our preliminary review indicates that the information provided in the application is not sufficient to process an administrative order at this time. It appears that your application may be incomplete with respect to notice. It was stated in this application that Yates is the **leaseholder** of state Leases No. VA-2482 and VA-2473. For clarification, does this mean that Yates owns 100% of the working interest in both leases? If not please identify each interest owner in both leases and show their percentage in each lease.

Since the submitted information is insufficient to review, the application was ruled as incomplete on January 24, 2002. Please submit the above stated information by Friday, February 8, 2002.

The Division cannot proceed with your application until the required information is submitted. Upon receipt, the Division will continue to process your application. The additional information can be faxed to (505) 476-3471, or mailed to the Division in Santa Fe. If the necessary information is not submitted, your application will be returned to you.

Should you have any questions concerning this matter, please contact me in Santa Fe at (505) 476-3465 or e-mail me at "mstogner@state.nm.us." Thank you.

Sincerely,
