Re: Proposed NSP-199

Gentlemen:

Reference is made to your letter dated October 24, 1955, in which you requested that your application which was to be processed under proposed NSP-199 should be dropped.

This application was for a 120-acre non-standard gas proration unit in the Blinebry Gas Pool for your Lockhart "A-35" Well No. 1, located in the NW/4 NW/4 of Section 35, Township 21 South, Range 37 East, Lea County, New Mexico.

Your letter indicated that you planned to communitize with E. F. Moran, Inc. with their 40 acres which is the SW/4 NW/4 of said section, and thus form a 160-acre unit.

Your request to dismiss NSP-199 is approved this date.

Very truly yours,

W. B. Macey
