Gentlemen:

On the first page of the above referenced application dated January 21, 1957, we listed the unit well as Lee Stebbins "B" Well No. 5. This was an error, and the well should have been shown as Lee Stebbins "B" Well No. 3. The well plat which was attached to the original application correctly records the well.

We are enclosing a corrected original and two of Page 1 of the application. Will you please substitute this page for the one you now have.

Yours very truly,

J. R. SHERMAN

Gentlemen:

Gulf Oil Corporation hereby makes application for approval of a non-standard gas proration unit comprising N/2 of NE/4 of Section 5, T-22-S, R-37-E, Lea County, New Mexico, and in support thereof states the following facts:

- (1) Gulf Oil Corporation is owner and operator of an oil and gas lease known as its Lee Stebbins "B" Lease, Lea County, New Mexico, as shown on the attached plat.
- (2) Gulf Oil Corporation proposes that the above described acreage be established as a non-standard 80-acre gas proration unit in exception to Rule 5 (a) of Order R-586.
- (3) The Lee Stebbins "B" Well No. 3, located 660 feet from the North line and 460 feet from the East line of Section 5, T-22-S, R-37-E, Lea County, New Mexico was originally completed May 24, 1947, as an oil well in the Drinkard Oil Pool and was dually completed January 8, 1957, as a gas well in the Tubb Gas Pool. The applicant proposes to use this well as the unit well.
- (4) The proposed non-standard gas proration unit will meet the requirements of Rule 5 (b) of the Oil Conservation Commission Order No. R-586 as follows:
  - (a) Contiguous quarter-quarter sections will comprise the unit.

Gentlemen:

Gulf Oil Corporation hereby makes application for approval of a non-standard gas proration unit comprising N/2 of NE/4 of Section 5, T-22-S, R-37-E, Lea County, New Mexico, and in support thereof states the following facts:

- (1) Gulf Oil Corporation is owner and operator of an oil and gas lease known as its Lee Stebbins "B" Lease, Lea County, New Mexico, as shown on the attached plat.
- (2) Gulf Oil Corporation proposes that the above described acreage be established as a non-standard 80-acre gas proration unit in exception to Rule 5 (a) of Order R-586.
- (3) The Lee Stebbins "B" Well No. <sup>3</sup>5, located 660 feet from the North line and 460 feet from the East line of Section 5, T-22-S, R-37-E, Lea County, New Mexico was originally completed May 24, 1947, as an oil well in the Drinkard Oil Pool and was dually completed January 8, 1957, as a gas well in the Tubb Gas Pool. The applicant proposes to use this well as the unit well.
- (4) The proposed non-standard gas proration unit will meet the requirements of Rule 5 (b) of the Oil Conservation Commission Order No. R-586 as follows:
  - (a) Contiguous quarter-quarter sections will comprise the unit.

NE 1/4 NE 1/4

NSP-352  
Jan 21/57

1/21/57

- (b) The proposed unit lies wholly within a single governmental section.
  - (c) All acreage within the proposed unit may reasonably be presumed productive of gas.
  - (d) The length or width of the proposed unit does not exceed 5280 feet.
  - (e) Gulf Oil Corporation is lessee and operator of all the acreage comprising the proposed unit as shown on the attached plat, and by copy of this letter of application, all operators owning interest in the section in which the proposed unit is located and all operators within 1500 feet of the proposed unit well are notified by registered mail of the intent of Gulf Oil Corporation to form the proposed non-standard gas proration unit. (See attached affidavit.)
- (5) The approval of this application for an 80-acre non-standard gas proration unit will, in the opinion of the applicant, prevent waste, protect correlative rights and serve the best interest of conservation.

In view of the existence of the facts herein stated and compliance with the provisions of Rule 5 (b) of the Oil Conservation Commission's Order No. R-586, Gulf Oil Corporation requests that the Secretary of the Commission approve the above described non-standard gas proration unit to become effective as soon as possible.

Respectfully submitted,

GULF OIL CORPORATION
