Re: Unorthodox Well Location
Rosa Unit #241
SE/4 Sec. 6, T31N, R5W

Dear Sir:

Northwest Pipeline has requested permission from the New Mexico Oil and Gas Conservation Division for an unorthodox well location on the above captioned well. Our records show you to be an offset operator. If you have any objections to this request, notify William LeMay with the NMOCD in Santa Fe within 30 days. This letter is being sent by certified mail in accordance with NMOCD regulations.

Sincerely,

Mike Turnbaugh
Senior Engineer

Dear Mr. LeMay:

This is to advise that the attached requests from Northwest Pipeline have been approved by Meridian, as an offset operator.

Please contact the undersigned if there are any questions relating to this matter.

Yours very truly,

Linda Donohue
Landman

Re: Non-standard Proration Unit
Rosa Unit #241
SE/4 Sec. 6, T31N, R5W

Dear Mr. Stogner:

Attached please find the original application for a non-standard proration unit on the subject well. Also attached is an application for an unorthodox location.

As can be seen from the attached map the offset operator is Meridian Oil. Notification letters are also included in this package.

Should you need anything else to proceed with administrative approval of this well please let me know.

Sincerely,

Mike Turnbaugh, Senior Engineer

MJT/ch

Re: Unorthodox Location
Rosa Unit #241
SE/4 Sec. 6, T31N, R5W

Dear Mr. Stogner:

The subject well has been staked in the SE/4 of Sec. 6 which violates Rule 7 of Order R-8768.

This location was chosen with BLM wildlife personnel to avoid a sage brush treatment area which was done in the west half of the section.

Northwest Pipeline seeks administrative approval for this unorthodox location.

Offset operators exist and notification has been make. The notification letters are attached.

Sincerely,

Mike Turnbaugh, Senior Engineer

Attention: Mike Turnbaugh
Senior Engineer

Administrative Order NSP-1578(L)

Dear Mr. Turnbaugh:

Reference is made to your applications of February 20, 1989 for a 264.56-acre non-standard gas proration unit consisting of the following acreage in the Basin-Fruitland Coal (Gas) Pool:

RIO ARRIBA COUNTY, NEW MEXICO
TOWNSHIP 31 NORTH, RANGE 5 WEST, NMPM
Section 6: All

It is my understanding that this unit is to be dedicated to your Rosa Unit Well No. 241 to be drilled at an unorthodox coal gas well location 535 feet from the South line and 685 feet from the East line (Unit P) of said Section 6, hereby approved under provisions of Rule 8 of the Special Rules and Regulations for this pool as promulgated by Division Order No. R-8768.

Also, by authority granted me under the provisions of Rule 6 of said Order No. R-8768, the above non-standard gas proration unit is hereby approved.

Sincerely,

William J. LeMay

Handwritten musical score on a single staff, featuring a 12-measure piece. The notation includes notes, rests, and fingerings (1-4). The tempo markings are "Allegretto" and "Moderato". The key signature is one flat (B-flat). The score is written in a clear, legible hand. The paper is aged and slightly discolored. The score is a single system, meaning it is intended to be played in one continuous breath or without a repeat sign.
