Re: Application of Doyle Hartman, Oil Operator for simultaneous dedication, an exception to Rule 3(D) of the Special Rules and Regulations for the Eumont Gas Pool, an unorthodox infill gas well location, and to amend Division Administrative Order NSL-4773(SD), Lea County, New Mexico, Case No. 13050

Dear Mr. Stogner:

This will confirm our phone conversation of this morning wherein I advised you that we will need to request a continuance of this matter from the June 10, 2003 docket. I understand based on prior communications from you that the next docket will be scheduled for June 19, 2003, and that that docket is presently full. We further understand that the next docket after June 19th will be July 10, 2003. If the Division is able to reschedule this matter on the June 19 docket, please let me know. Otherwise, we would request that the matter be continued to the July 10 docket. I will appear this Thursday, June 5 for the docket call, at which time I understand that all matters will be continued to their respective dockets.

Thank you for your cooperation on this matter. If you have any questions or need additional information, please feel free to contact me.

Sincerely,

GALLEGOS LAW FIRM, P.C.
