Re: Application of Doyle Hartman, Oil Operator for simultaneous dedication, an exception to Rule 3(D) of the Special Rules and Regulations for the Eumont Gas Pool, an unorthodox infill gas well location, and to amend Division Administrative Order NSL-4773(SD), Lea County, New Mexico, Case No. 13050

Gentlemen:

This will confirm our conversation today. I have requested that this matter be vacated from the Division's May 8, 2003 Docket in order to give us time to notify offset operators of the Application as requested in Mr. Stogner's March 11, 2003 letter. I will get those notices out tomorrow, and would request that the matter be continued to the Division's Docket for June 4, 2003. I will also modify the notice provided to the offset operators to reflect the additional contingencies I discussed which we will be asking for approval for with respect to the H.M. Britt Wells 3 and 11.

Thank you for your cooperation. If you have any questions, or need any additional information, please feel free to contact me.

Very truly yours,

GALLEGOS LAW FIRM, P.C.
