Re: AFE to drill Roughneck Red "29" Com #1
N/2 of Section 29, T17S, R26E
Roughneck Red Prospect
Eddy County, New Mexico

Dear Mr. Daugherty:

We are in receipt of your letter dated April 14, 2004 offering to farmout your interest in the N/2 of Section 29 delivering a 75% net revenue interest and retaining a back in of 30% after payout. This proposal is unacceptable under these terms.

We are willing to acquire a term assignment from Murchison for a reasonable bonus amount and delivering to us a 75% net revenue interest. In the alternative, we will continue to seek to recover our cost plus 200% at our Compulsory Pooling hearing (NMOCD Case No. 13236) set for April 29, 2004 or we would welcome Murchison as a partner in the drilling of this Morrow test well.

Yours very truly,

Bo Blue
New Ventures Land Manager
