1 WHEREUPON, the following proceedings were had at
2 9:02 a.m.:

3 EXAMINER JONES: Okay, let's call Case 13,332 and
4 Case 13,333 at this time. They're both the Application of
5 Yates Petroleum Corporation for approval of a unit
6 agreement, Chaves County for the first one and Lea County
7 for the second one.

8 Call for appearances.

9 MR. FELDEWERT: Mr. Examiner, Michael Feldewert
10 with the Santa Fe office of the law firm of Holland and
11 Hart, appearing on behalf of the Applicant, Yates Petroleum
12 Corporation, in both cases. I have no witnesses today, as
13 we are presenting both matters by affidavit.

14 EXAMINER JONES: Any other appearances?

15 I guess we scared off all the Yates witnesses
16 this morning.

17 MR. FELDEWERT: Both of these -- in Case 13,332
18 Yates has submitted the affidavit of Tim Miller, with the
19 attachments in which they're seeking approval of the Boffin
20 State Exploratory Unit, and in Case 13,333 Yates has
21 submitted as its exhibit the affidavit of John Amiet, in
22 which he explains the basis for seeking approval of the
23 Orbison State Exploratory Unit.

24 Basically the presentation of both cases are
25 identical. If you have any questions, I'd be happy to

1 answer them.

2 EXAMINER JONES: Okay, these are all both Exhibit
3 Number 1?

4 MR. FELDEWERT: In each case, yes.

5 EXAMINER JONES: In each case. I think the
6 structure map is there on the 13,332 --

7 MR. FELDEWERT: Yeah, in each case we have the
8 preliminary approval letter from the New Mexico State Land
9 Office, in each case all of the working interest owners
10 have signed off on the unit agreement --

11 EXAMINER JONES: Okay.

12 MR. FELDEWERT: -- and in each case we have
13 submitted not only an isopach map but also a cross-section.

14 And in each case as well, the last exhibit,
15 Exhibit -- or, I'm sorry, Attachment G to each of these
16 affidavits contains a summary of the geologic reasons
17 supporting this Application.

18 EXAMINER JONES: And both of these are 100-
19 percent State Land Office leases?

20 MR. FELDEWERT: Yes.

21 EXAMINER JONES: Okay, I have no more questions.
22 Let's admit into evidence Exhibit Number 1 for Case 13,332
23 and Exhibit Number 1 for Case 13,333.

24 And let's take Case 13,332 under advisement and
25 Case 13,333 under advisement.
