Re: Case No. 13345
Application for emergency plugging order directed to Maralo, LLC

Ladies and Gentlemen:

Because our investigation indicates that the well that was the subject of this case may have been a water well, and we have no information at this time as to whether it was drilled as a service well, the Division hereby requests that this case be dismissed without prejudice.

Should you have questions, please feel free to call the undersigned at (505)-476-3450.

Very truly yours,
