1 WHEREUPON, the following proceedings were had at

5 EXAMINER CATANACH: And at this time I will call
6 Case 13,335, the Application of Devon Energy Production
7 Company, L.P., for compulsory pooling, Eddy County, New
8 Mexico.

9 Call for appearances in this case.

10 MR. BRUCE: Mr. Examiner, Jim Bruce of Santa Fe,
11 representing the Applicant. I have just have a short
12 statement.

13 EXAMINER CATANACH: Any additional appearances?

14 MR. CARR: May it please the Examiner, William F.
15 Carr with Holland and Hart, L.L.P., Santa Fe.

16 We have appeared in the case for Marbob Energy
17 Corporation.

18 EXAMINER CATANACH: Okay.

19 MR. BRUCE: Mr. Examiner, This case was heard
20 before Mr. Ezeanyim a couple weeks ago. There was a couple
21 of minor items.

22 First of all, the notice published in the
23 newspaper had an error in it, so notice has been -- the
24 case was continued and notice was republished, and I'm
25 submitting that affidavit of publication as Exhibit A and

1 I'd ask that that be taken part of the record.

2 Also since that time, Mr. Carr, on behalf of
3 Marbob Energy Corporation and Pitch Energy Corporation,
4 objected to the Application.

5 Since that time Mr. Carr has informed me, and my
6 client has informed me, that Devon Energy and Marbob and
7 Pitch have come to terms, and therefore we would request
8 that Marbob and Pitch be dismissed from the pooling
9 Application.

10 There may be other companies that subsequently
11 come to terms with Devon.

12 We would ask that the matter be taken under
13 advisement, and then if other companies do reach agreement
14 with Devon Energy we will notify the Division so that they
15 are not subject to the pooling order.

16 EXAMINER CATANACH: Anything, Mr. Carr?

17 MR. CARR: No, Mr. Catanach. We have reached an
18 agreement with Devon.

19 EXAMINER CATANACH: Okay, Mr. Bruce, there are
20 still some parties that need to be pooled by that order?

21 MR. BRUCE: Yes, totaling -- Well, there's one
22 larger interest owner who we anticipate joining, Magnum-
23 Hunter Production, and then the rest of the interest owners
24 constitute maybe a percent of the well or less.

25 EXAMINER CATANACH: Okay. All right, anything

further?
