Regarding the message I sent you yesterday regarding the operator change from Saba Energy to GREKA, AM, Chris Williams advised me that you do need the additional bonding. Please contact Dorothy Phillips @ (505) 476-3461 to acquire that bonding....

Subject: Operator Change

Mr. Bramlett:

We are in receipt of your bonding information under the new name Greka AM, Inc. On the initial list I sent you on April 19th, two wells show they need additional bonding in the amount of 10,000 each. When there are 10 or more wells being transferred, additional bonding may apply. This is at the discretion of the district supervisors. I have contacted Chris Williams, Hobbs District Supervisor if the additional bonding will apply to these wells. If so, you need to acquire additional bonding in the amount of 20,000 for these wells. I will let you know as soon as Chris Williams advised me as to what to do.

Thank you cooperation and patience.

Note: 1-7-02

Talked w/ William @ he said that this operator change will not go thru because company (SABA) find alot of people - Saba took all their wells to auction, but could not be sold because they could not prove they owed all the wells.
