Dear Mr. Townsend:

Matrix New Mexico Operating Company, LLC proposes the drilling of the Townsend #2 well as a 9,800' Wolfcamp test at the above captioned spacing unit. Our records indicate that you own a 0.555556% mineral ownership in the E/2 Section 10-13S-38E under the proposed well. Our records further indicate that Matrix New Mexico Holdings, LLC, through its representative, Mr. Randy Watts, has made several written offers to lease your minerals in this area without success. As an unleased mineral owner in the land set forth above, you have the right to participate directly in the drilling of the proposed well by paying your prorata share of the actual well drilling, completion, and operating costs.

If you desire to participate in the drilling of the above well, please execute and return one copy of the enclosed Authority For Expenditure so indicating your election. Upon receipt of your election to participate, an Operating Agreement will be sent to you for your acceptance and you will be invoiced for your share of the anticipated well cost (\$5,526.17). If you do not wish to participate in the cost of drilling of this well, Matrix will be willing to lease your minerals under the terms previously provided (providing to you a royalty, without any cost obligation). If you have any questions concerning the enclosed, or wish to lease your minerals, please feel free to contact Randy Watts at 505-622-5300.

Yours truly,

Fred C. Bryla

Dear Mr. Townsend:

Matrix New Mexico Operating Company, LLC proposes the drilling of the Townsend #3 well as a 9,800' Wolfcamp test at the above captioned spacing unit. Our records indicate that you own a 0.555556% mineral ownership in the E/2 Section 10-13S-38E under the proposed well. Our records further indicate that Matrix New Mexico Holdings, LLC, through its representative, Mr. Randy Watts, has made several written offers to lease your minerals in this area without success. As an unleased mineral owner in the land set forth above, you have the right to participate directly in the drilling of the proposed well by paying your prorata share of the actual well drilling, completion, and operating costs.

If you desire to participate in the drilling of the above well, please execute and return one copy of the enclosed Authority For Expenditure so indicating your election. Upon receipt of your election to participate, an Operating Agreement will be sent to you for your acceptance and you will be invoiced for your share of the anticipated well cost (\$5,526.17). If you do not wish to participate in the cost of drilling of this well, Matrix will be willing to lease your minerals under the terms previously provided (providing to you a royalty, without any cost obligation). If you have any questions concerning the enclosed, or wish to lease your minerals, please feel free to contact Randy Watts at 505-622-5300.

Yours truly,

Fred C. Bryla
