Order No. R-11341-B

APPLICATION OF BURLINGTON RESOURCES

ORDER OF DISMISSAL

BY THE COMMISSION:

This matter was continued indefinitely on June 23, 2000 at the request of the De Novo applicant, Energen Resources Corporation. Pursuant to an Order to Show Cause issued on September 28, 2010, this case came before the New Mexico Oil Conservation Commission on November 4, 2010, in order for the applicant and all interested parties to appear and show cause why the case should not be dismissed given the lengthy time period that this matter has been pending before the Commission. The case was continued to December 9, 2010, January 13, 2011 and June 28, 2011. The counsel for the De Novo applicant requested that the case be dismissed, and no objections were raised to the dismissal of this case. Now, therefore, the Commission Chair:

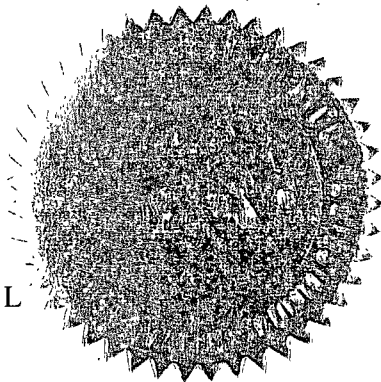

FINDS THAT:

De Novo Case No. 12277 should be dismissed for want of prosecution.

IT IS THEREFORE ORDERED THAT:

De Novo Case No. 12277 shall be and hereby is dismissed and Division Order No. R-11341 is hereby continued in full force and effect until further notice.

DONE at Santa Fe, New Mexico on this 28th day of June, 2011.
