1 EXAMINER BROOKS: Call case number 14684,
2 application of Cimarex Energy Company for compulsory pooling
3 Eddy County, New Mexico. Call for appearances.

4 MR. BRUCE: Mr. Examiner, Jim Bruce of Santa Fe
5 representing the applicant. Again I'm submitting this case
6 by affidavit.

7 Mr. Examiner, I have handed you two exhibits, the
8 affidavit of the landman and my affidavit of notice. Again
9 all of the prior matters stated in the first application
10 pertain. The only difference is that the acreage being
11 pooled is the Southwest Quarter of the Northwest Quarter,
12 again from the surface to the base of the Glorieta-Yeso
13 formation, and the well involved is the Texas 32 Fee Well
14 Number 5, which is to be drilled at a location 1650 feet from
15 the North Line and 990 feet from the West Line. And the API
16 number for that well is 3001539106. All the other matters
17 are the same, the overhead rates, the 200 percent risk
18 charge, adjustment of the Copas rates. And Exhibit 2 is my
19 affidavit of notice showing that the Concho entities received
20 actual notice of the application, and I would move the
21 admission of Exhibits 1 and 2.

22 EXAMINER BROOKS: Once again, COG and Concho are the
23 only parties being pooled?

24 MR. BRUCE: And in the same percentages.

25 EXAMINER BROOKS: And depths are the same?

1 MR. BRUCE: Yes.

2 EXAMINER BROOKS: Very good. Exhibits 1 and 2 are
3 admitted.

4 (Exhibits 1 and 2 admitted.)

5 EXAMINER BROOKS: Case Number 14684 is taken under
6 advisement.
