1 MR. EXAMINER: A question for you,
2 Mr. Bruce, case 15062.

3 MR. BRUCE: Mr. Examiner, yeah, Jim Bruce
4 representing Primero Operating, Inc. This concerns an
5 unorthodox location. It was applied for
6 administratively. One party -- one notice of party
7 objected and so I set it for hearing and gave notice to
8 that party, which I will provide to the division later.
9 That party did not file a prehearing statement and so I
10 would ask that it be put back on the administrative
11 docket.

12 MR. EXAMINER: Shall we look at January 9th,
13 2014, or do you want it on today's docket?

14 Or we haven't heard anything from our opposing
15 party, so Mr. Brooks?

16 MR. BROOKS: Well, in the old days we used
17 to say this case is done such that in the absence of the
18 objection it will be taken under advisement. And I
19 think that that's a good thing to do, and I think we
20 should take it under advisement since we have
21 Mr. Bruce's administrative application and we don't
22 have -- and whoever objected is not here.

23 MR. EXAMINER: Very good. Well, then let us
24 take case 15062, since there has been no opposing
25 party's presentation either in writing or appearance,

1 that it will be taken under advisement.

2 MR. BROOKS: That styling went out of
3 fashion when Mr. Catanach left.

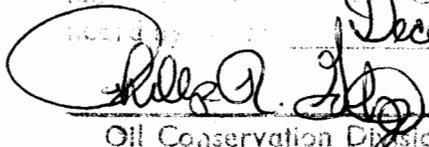

4 MR. EXAMINER: And you have again made a
5 very good impression on this board.

6 For those present, we'd also like to introduce
7 Mr. Michael McMillan, who is also now also going to be a
8 hearing examiner and will be representing OCD in future
9 hearings.

10 And we also at this point wish to say good-bye to
11 Mr. David Brooks and all the years that he has
12 participated here and even today attributes to making
13 sure this runs smoothly and honestly.
