**APPLICATION OF COG OPERATING LLC FOR A  
NON-STANDARD SPACING AND PRORATION UNIT  
AND COMPULSORY POOLING, LEA COUNTY,  
NEW MEXICO.**

**Case No. 15,162**

**MOTION FOR CONTINUANCE**

Pride Energy Company ("Pride") moves for a continuance of the above cases, and in support thereof states:

1. COG Operating LLC ("COG") has filed Case Nos. 15,161 and 15,162, seeking the pooling of the Bone Spring formation underlying the W/2E/2 and E/2E/2 (respectively) of Section 13, Township 19 South, Range 34 East, NMPM.
2. Pride owns the leasehold in the NE/4 of Section 13, and will be filing competing pooling applications to be set for the July 24, 2014 Examiner hearing.
3. Pride's competing applications should be heard at the same time as COG's applications to minimize the time spent on these matters by the Division, COG, and Pride.
4. Pride's counsel has contacted counsel for COG, and does not believe that he opposes this motion.

WHEREFORE, Pride requests that Case Nos. 15,161 and 15,162 be continued to the July 24, 2014 docket, and consolidated for hearing with the applications being filed by Pride.

Respectfully submitted,

James Bruce
