Will: I believe EACH party gets 3 continuances, but let mw know if I am wrong. Mewbourne requested at least one continuance. COG and Mewbourne have been cooperating in this matter, and we do not want to put COG at a disadvantage.

Jim,

Subject: Fourth Continuance in Case No. 15265

Ladies and Gentlemen,  
Hope everyone had a nice Memorial Day weekend and didn't spend it preparing for a hearing.

Due to this being the fourth continuance, this case is being dismissed (without prejudice) by the Division. Mr. Catanach has affirmed this policy but wants you to be notified.

Many Regards,  
Will Jones

Subject: Zebra hearing continuance request

Gentlemen: It appears COG and Mewbourne are still attempting to resolve the objection giving rise to this case. COG therefore requests that the matter be continued to the June 11th hearing date, at which time this matter may be able to proceed via the administrative process. I have left messages for Jim Bruce (attorney for Mewbourne) but have not heard back from him, so he is copied on this email.

Subject: April 30th hearing

Gentlemen: Please continue Case 15285 (Mewbourne) to the May 14th hearing.

In addition, Mewbourne requests that Case 15265 (COG) be continued to the May 28th hearing. COG does not object to this request.

Jim
