Folks:

Brought to my attention by Ms. Bradfute, a clarification that Black Mountain is entering appearance for Mewbourne's cases while RCS Resources et. al. will be involved in the Matador cases. Hope no one had a mild heart infarction as a result of my poor comprehension. PRG

Ms. Bradfute:

OCD will continue the six cases that involve the four Tiger 14-24S-28E RB horizontal wells and the two Janie Conner 13-24S-38E RB wells to the April 14th Docket. Division has received Entry of Appearances on behalf of Black Mountain Operating for all these cases and supports any effort for a negotiated resolution. Thank you for informing the Division of this change of the docket. PRG

Subject: Case Nos. 15456, 15457, 15458, 15459, 15460, and 15461

Gentlemen,

Matador Production Company respectfully asks that case numbers 15456, 15457, 15458, 15459, 15460, and 15461 be continued to the April 14, 2016 docket. The cases were previously continued from the March 17 docket until the March 31 docket. That continuance was approved by the Division on March 10, 2016. Counsel for Randy Cate does not object to this request. The parties have been working on reaching a deal related to these applications.

Thank you,
Jennifer
