2 EXAMINER JONES: On the record this morning.

3 This is the Amended Docket, Examiner  
4 Hearing, Thursday, June 23, 2016, Docket No. 26-16. This  
5 is an Examiner Hearing. I'm William B. Jones. This is  
6 David Brooks, attorney for the Examiner this morning.

7 Let's go through the docket quickly and  
8 then I'll make an announcement on the RAB case.

9 Case No. 15 -- Well, that is one we are  
10 going to wait to talk about, the first case here.

11 Page 2, I got Case No. 15492 is dismissed.

12 Case No. 15490 is continued to September 1.

13 Case 15476 is continued to July 7.

14 Case No. 3 -- or page No.3, Case No. 15452  
15 is dismissed.

16 Case No. 15453 is dismissed.

17 Case No. 15454 is dismissed.

18 Case No. 15455 is dismissed.

19 And I think there was another one that was  
20 continued.

21 Mr. Feldewert, is the --

22 MR. BRUCE: Mr. Examiner, Jim Bruce of Santa Fe  
23 representing Devon Energy. I had requested a continuance  
24 of Case 15501 on page 2. I hadn't heard back from the  
25 Division on my motion.

1                   EXAMINER JONES. Was there an objection to  
2 the --

3                   MR. FELDEWERT: Mr. Examiner, we have no  
4 objection to a continuance till July 7.

5                   EXAMINER JONES: No other parties are in this  
6 case, as far as I know, so we don't object to continuing  
7 it. So we will continue Case No. 15501 to July 7th. It's  
8 continued.

9                   Now, the first case on the docket, 15487,  
10 we have one counsel coming in at 10:30 this morning, and  
11 we'd kind of like to -- although we are probably going to  
12 be done here by then, we probably should wait until then.

13                  MR. BROOKS: Yes. He's coming in from Roswell,  
14 so that's the reason we moved it till later, so he  
15 wouldn't have to get up at 3:00 o'clock in the morning.

16                  EXAMINER JONES: Send a junior attorney for 3:00  
17 in the morning.

18                  MR. BRUCE: Mr. Examiner, one thing.

19                         I noticed that the location of the basin  
20 has changed. It says the Raton Artesian Basin.

21                  MR. BROOKS: That was an error, and it was mine,  
22 my error.

23                  EXAMINER JONES: Somebody wanted to go on  
24 vacation.

25                  MR. BROOKS: Like Will, I like the idea of Raton

1 much better than Roswell.

2 EXAMINER JONES: Yeah, we did find out some  
3 more this morning on that, but we need to hear from  
4 everybody and talk at 10:30. Now, he's on the road, so  
5 he's supposed to tell me when he gets here.

6 So that is what we are going to do on this  
7 case.
