Subject: Thursday's hearing

All: First, continue all of Mewbourne's 8 cases (23-30) to September 1.

As to my other cases, I will present Chi's case (15521) by affidavit. Nemo's cases are for exploratory units. While the land testimony varies slightly, I plan on presenting the geologists testimony once (the units adjoin each other).

I have entered an appearance in Case 15520 (COG), but will not present a witness. I will make a statement as to Yates' position, but Bill and agree it will be a short case, so I ask that it not be moved to the end of the docket.
