RE: Casing Point Election – SRO State Com #44H
Township 26 South, Range 28 East, N.M.P.M.
Section 17: E/2 W/2 SHL: 190' FNL & 2220' FWL (Or at a legal location in Unit C)
Section 20: E/2 W/2 BHL: 330' FSL & 2220' FWL (Or at a legal location in Unit N)
Eddy County, New Mexico

Dear Ms. Richardson:

COG Operating LLC, as Operator, has drilled the referenced well to a total depth of 17,679'. COG recommends that 5 ½" casing be set to total depth and a completion attempt be made in the Bone Spring formation.

Pursuant to the Joint Operating Agreement dated May 8, 2009, parties receiving such notice shall have 48 hours exclusive of Saturday, Sunday and legal holidays to provide their election. Please indicate your election by marking the appropriate space provided herein below and signing and returning one (1) copy of this letter to the undersigned.

Since COG is prepared to immediately commence this operation, your prompt reply will be appreciated. Please email a copy of your election to shaller@concho.com. The originals can then be mailed to our office. If you have any questions, please do not hesitate to contact Aaron Myers at amyers@concho.com or by phone at 432-688-6674.

Sincerely,

Savannah Haller
