EXHIBITS OFFERED AND ADMITTED

Matador Production Company Exhibit Numbers 4A and 5A	5
---	---

1 (10:54 a.m.)

2 EXAMINER GOETZE: Next on the docket is
3 Case 15749 [sic]. I believe this case was heard, and
4 we're just filling in an exhibit?

5 MS. KESSLER: That's correct, Mr. Examiner.

6 EXAMINER GOETZE: It's tough being a
7 one-person show.

8 MS. KESSLER: A sick one-person show.

9 This case was previously heard on the last
10 docket. At that time there were two witnesses and a
11 number of exhibits entered. There were issues with --

12 Let's see. It's Case Numbers 15747 and
13 15748.

14 EXAMINER GOETZE: Together?

15 MS. KESSLER: If they could be called
16 together.

17 EXAMINER GOETZE: Let's do this also for
18 the record: This is Case 15749, application of Matador
19 Production Company for compulsory pooling, Eddy County,
20 New Mexico. And the second case was --

21 MS. KESSLER: 15747 and 15748.

22 EXAMINER GOETZE: Okay. Case 15747
23 application of Matador Production Company for a
24 standard -- well, those will come later.

25 This exhibit is specific to --

1 MS. KESSLER: So, Mr. Examiner, there were
2 two cases called together at that time, Cases 15747 and
3 15748. What I've placed in front of you is two
4 replacement exhibits for Exhibit Number 4. I've handed
5 you 4A. And for Exhibit Number 5, I've handed you a 5A
6 and B [sic]. The summary of interests had been
7 incorrectly calculated at the time of hearing, so this
8 is a replacement correcting the calculation of interest.

9 EXAMINER GOETZE: Let's get our court
10 reporter and me oriented properly.

11 So this would be Case Number 15747,
12 application of Matador Production Company for a
13 nonstandard spacing and proration unit and compulsory
14 pooling, Eddy County, along with Case Number 15748.

15 So this is a substitute, Exhibits 4A and
16 5A, requested by the Examiner?

17 MS. KESSLER: That was offered by the
18 Applicant, when they realized that the calculation was
19 based on 160 acres as opposed to a slightly different
20 size spacing unit due to lots.

21 EXAMINER GOETZE: Very good. And you wish
22 this to be entered in?

23 MS. KESSLER: I do, if Exhibits 4A and 5A
24 could be entered into part of the record.

25 EXAMINER GOETZE: Okay. Very good. For

1 Cases 15747 and 15748, Exhibits 4A and 5A are so entered
2 into the record.

3 (Matador Production Company Exhibit Numbers
4 4A and 5A are offered and admitted into
5 evidence.)

6 EXAMINER GOETZE: There were no additional
7 changes or requests?

8 MS. KESSLER: No.

9 EXAMINER GOETZE: Therefore, Cases 15747
10 and 15748 are taken under advisement.

11 MS. KESSLER: Thank you.

12 (Case Numbers 15747 and 15748 conclude,
13 10:57 a.m.)
