Subject: Withdrawal of C-108 Application of Stakeholder Midstream for AGI Case # 15856

Florene,

As per our telephone conversation today, my client, Stakeholder Midstream, LLC has decided to withdraw their application for AGI which is set for hearing with NMOCC in January 2018. Stakeholder is constructing their plant in Yoakum Co. TX. I would appreciate you confirming with me via email that you that they have been taken off the docket and that the application has been withdrawn at the operator's request.

Thanks very much and have a great weekend and a safe and happy holiday season.

Kind regards
Alberto
