EXHIBITS OFFERED AND ADMITTED

Matador Production Company Exhibit Numbers 17 and 18	6
------------------------------------------------------	---

1 (11:25 a.m.)

2 EXAMINER JONES: Page number 4, call Case
3 Number 15748, re-opened, application of -- amended
4 application of Matador Production Company to re-open
5 Case Number 15748 to amend the initial well under the
6 terms of Compulsory Pooling Order R-14433, Eddy County,
7 New Mexico.

8 Call for appearances.

9 MS. KESSLER: Mr. Examiner, Jordan Kessler
10 from the Santa Fe office of Holland & Hart.

11 EXAMINER JONES: Any other appearances in
12 this case?

13 Please proceed.

14 MS. KESSLER: As I mentioned, this case
15 will be presented by affidavit. What I've placed in
16 front of you is Exhibits 17 and 18.

17 Exhibit 17 is an affidavit from Mr. Sam
18 Pryor, who was the landman in the initial case, 155 --
19 I'm sorry -- 15748. That case requested formation of a
20 155.83-acre spacing and proration unit that was
21 comprised of the south half-south half of Section 19, in
22 Township 20 South, Range 29 East, Eddy County, and
23 compulsory pooled approximately from the Bone Spring --
24 uncommitted interest owners in the Bone Spring Formation
25 and dedicated the spacing unit to the initial well,

1 which was the Stebbins 19 Fed Com 134H well. Order
2 R-14433 was issued back in September authorizing the
3 spacing unit.

4 Since that time, Matador has proposed to
5 all of the interest owners to change the initial well in
6 the spacing unit, so it would not be the 134H well. It
7 is instead going to be the 124H well, which targets the
8 2nd Bone Spring rather than the 3rd Bone Spring. This
9 is all set forth in the affidavit.

10 Also included in the affidavit is
11 Attachment A, the C-102 for the new initial well, which
12 is the 124H well. And Attachment B is the well-proposal
13 letter and AFE that went out to all of the working
14 interest owners under the -- both the working interest
15 owners and the parties pooled under the initial order.

16 Exhibit 18 is an affidavit from my office
17 with letters and also -- it's very difficult to read.
18 The Notice of Publication is the last page of this
19 exhibit, providing notice to all of the interest owners
20 in the spacing unit be changed for the initial well.

21 EXAMINER JONES: And the change in the
22 target?

23 MS. KESSLER: And the change in the target.

24 With that, Mr. Examiners, I'm happy to
25 answer any questions, but I would ask that Exhibits 17

1 and 18 be admitted into the record and that this case be
2 taken under advisement.

3 EXAMINER JONES: Everything okay?

4 EXAMINER BROOKS: Yeah. As I've often said
5 about affidavits, they're not -- they're hearsay, and,
6 therefore, they're not admissible over objection. But
7 this isn't a contested case, so who is going to object?

8 EXAMINER JONES: No one appeared in the
9 original case?

10 MS. KESSLER: Nobody appeared in the
11 original case.

12 EXAMINER JONES: And the same parties are
13 being pooled?

14 MS. KESSLER: There is no change in who is
15 being pooled at all or no changes in the ownership or
16 interest. Simply, the change is to the initial well.
17 So the order currently designates 134H, and we're asking
18 instead that it be the 124H.

19 EXAMINER JONES: The 134H, is it still out
20 there and is it going to be drilled?

21 MS. KESSLER: It is still out there and
22 will also be drilled, if it hasn't already. But the 124
23 will be --

24 EXAMINER JONES: The initial well.

25 MS. KESSLER: -- the initial well.

1 EXAMINER JONES: Okay. With that, we'll
2 take cases -- or Exhibits 17, 18 -- 17 and 18 --

3 MS. KESSLER: Thank you.

4 EXAMINER JONES: -- we'll admit those two
5 cases -- two exhibits and take Case Number 15748,
6 re-opened, under advisement.

7 MS. KESSLER: Thank you.

8 EXAMINER JONES: Thank you very much.

9 (Matador Production Company Exhibit Numbers
10 17 and 18 are offered and admitted into
11 evidence.)
