Thanks Mike,

Based on the discussion at the end of the hearing, I have prepared a short brief on many of the same orders which I will be forwarding to the Division which discusses the factors in the orders.

Thanks,
Jennifer

At the close of the April 24th special hearing on these two matter, Examiner Brooks requested that we provide Commission and Division authority discussing the factors to be considered for competing pooling applications. Attached is Commission Order R-10731-B issued in 1997 and subsequent Division orders in chronologic order noting the relevant factors for consideration. I have taken the liberty of highlighting the portion of each order discussing the relevant factors for ease of review. Please note that Examiner Brooks may find subsequent Orders 11869 and 11870 of particular interest, since he is the listed as the author of those 2002 decisions.

Unless Jennifer feels differently, I do not believe briefing is necessary on these order, since they are self-explanatory. Thank you for your attention to these matters.
