Re: Case No. 16105: Amended Application of LOGOS Operating, LLC for Approval of a Non-Standard Project Area Comprised of Acreage Subject to a Proposed Federal/State of New Mexico Communitization Agreement, San Juan County, New Mexico

Gentlemen:

At the May 4, 2018 Examiner hearing in this matter, we were requested to supplement certain exhibits. Enclosed, you will find the following supplemental materials:

1. Exhibit No. 3-A, showing well paths in the vicinity of the Communitized Area, including the recently added Heros 2308 09L Well No. 5-H.
2. Exhibit No. 7-A, showing the location of the cross-section line and including the well path for the Heros 2308 09L Well No. 5-H.
3. Exhibit 9-A structure map without well paths and locations.

I will plan on attending the May 17, 2018 Docket and will formally offer these supplemental exhibits for introduction into the record when the amended and re-advertised Application is called. At that time, the matter can then be taken under advisement.
