BTA – Ogden 20509 32-29 Federal Com #6H

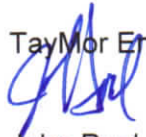

Mr. Rankin:

We are in receipt of your notices of compulsory pooling. As an overriding royalty owner we are fully supporting all BTA's proposed 1.5 mile lateral wells.

We are **opposed** to the Marathon 1 mile lateral proposals in that they would strand the N/2 of Sec. 32 in which we also have overriding royalty interest.

Should you have any questions, please advise.
