Michael,

Thank you for the request. FYI, the Commission meeting scheduled for June 26 had been moved to June 21. Also, the docket for July 19 is already quite busy.

Regards,
Bill

XTO, the applicant in Case 15844, requests that the hearing on the de novo appeal filed by MRC Permian/Matador be continued from the June 26th Commission docket to the July 19th Commission docket. Mr. Bruce, the attorney for appealing parties, does not object to this request.

At the May 22, 2018 Commission meeting, De Novo Case 15844, Amended Application of XTO Energy Inc. for approval of the James Ranch Unit, was continued to June 26, 2018. However, due to a conflict with Chair Riley's schedule, the case will be heard at the regularly scheduled June 21 meeting.
