Good Afternoon Mr. McMillan,

I am following up with you in regards to the most recent scheduled OCD Hearing Notice for January 10th 2019, both of these cases are being filed for NGL Water Solutions Permian, LLC and their Case numbers listed below:

- 1) Case number **20140**: Quintana SWD #1; 36-22S-26E, Eddy County
- 2) Case number **20142**: Trident SWD # 1; 13-24S-33E, Lea County

Marathon Oil Permian LLC would like to protest both of these proposed, "Applications of Injection zones for Salt Water Disposal Well", based on our belief that these proposed injection zones may have an impact on Marathon's correlative rights and we would also like to mention that Marathon was not properly notified of these "Applications of Injection" until we received the OCD Notice of Hearing.

Respectfully,

Jessica Gorman
