**APPLICATION OF MATADOR PRODUCTION
COMPANY FOR COMPULSORY
POOLING, LEA COUNTY, NEW MEXICO**

Case No. 20124

MOTION FOR CONTINUANCE

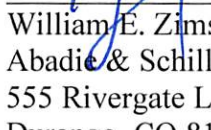

Devon Energy Production Company, L.P. (Devon) respectfully requests that the Division issue an order continuing this case for two weeks, until January 24, 2019. In support whereof, the following is shown:

1. This case is set for a hearing on January 10, 2019.
2. Devon requests a continuance until the next hearing date, January 24, 2019, for the following reasons. Undersigned counsel was only retained for this matter this morning and needs additional time to prepare. In addition, the hearing docket for January 10, 2019, is relatively full with other cases. The continuance is as short as possible and granting the continuance does not appear to be prejudicial to Matador.
3. Melissa Miller, a landman at Devon, contacted Matador Production Company about this request for continuance. As of 1 p.m. Mountain Time, Ms. Miller has not heard back from Matador.

WHEREFORE, premises submitted, Devon requests that the above case be continued to the January 24, 2019 docket.

Dated this 3rd day of January, 2019.
