Subject: [EXT] RE: Continuance of Commission Case 16446

Florene and OCC –

I am sending this email on behalf of the State Land Office (SLO) regarding its recent Motion for Continuance. The SLO withdraws the argument in its Motion for lack of notice. The State Land Office received notice of the Application on September 17, 2018. However, the State Land Office still believes a Continuance would be in the best interests of the parties and concurs with the Applicant's request for a continuance below. The State Land Office believes a hearing would be premature at this time, as the Applicant does not have all the permits required to operate on State Trust Land, and a continuance will allow the parties additional time to discuss the application and prepare their cases.

Please let me know if you would like me to file a formal Amended Motion.

Kind Regards,
Andrea

Subject: RE: Continuance of Commission Case 16446

Florene,

Salt Creek Midstream, LLC requests a continuance of this case to the February 14th Commission docket. We have conferred with the attorneys for the Division and the Division does not oppose a continuance.

We appreciate the Commission's consideration of this request.

Very best,
Adam
