Makes sense,
Thanks for the reply,

I actually do need some paperwork requesting the dismissal,
so unless anyone can find the request from COG, I must wait to hear from Jordan,

I need something in our file requesting a dismissal.
We should have put it on the docket it was continued to and then dismissed it from there.

Will,

If it's the case I think it is, it was dismissed.

Hello Jordan,

I just found this case file and trying to find a home for it, found an email saying continued from Nov 15th.

I have no record of why it was not on the docket for Jan 10th or whether it was to be dismissed?

Anyone know?

Will
