AFFIDAVIT OF NOTICE

STATE OF NEW MEXICO)
) ss.
COUNTY OF SANTA FE)

I, Seth C. McMillan, attorney for Centennial Resource Production, LLC, the Applicant in the above-captioned matters, being first duly sworn, upon oath state the following:

1. I have reviewed Exhibits A-1, A-2, A-3 and A-4 attached hereto, which are reports generated by the USPS regarding notice letters mailed by Centennial's prior counsel in the above-captioned matters. These exhibits demonstrate to my satisfaction that prior counsel's office timely mailed hearing notice letters on January 18, 2019 to all uncommitted interest owners.

2. Exhibits A-1, A-2, A-3 and A-4 also demonstrate to my satisfaction that notice letters have been delivered by the USPS to any and all uncommitted interest owners whose interests are to be pooled in these proceedings.

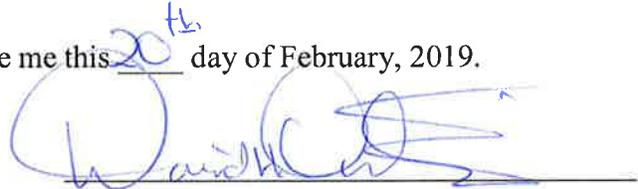

3. Exhibits B-1, B-2, B-3 and B-4 attached hereto are Affidavits of Publication generated by the Hobbs News-Sun, resulting from notices of publication submitted to the News-Sun by prior counsel. These notices of publication were each directed to "all overriding royalty interests and pooled parties."

4. In my opinion, notice of the hearing in these matters was properly completed by prior counsel to any and all uncommitted interest owners whose interests are to be pooled in these proceedings.

SETH C. McMILLAN

SUBSCRIBED AND SWORN to before me this 20th day of February, 2019.

Re: Application of Centennial Resource Production, LLC for Compulsory Pooling, Lea County, New Mexico.
Dandie 22 Federal Com No. 602H Well

Ladies & Gentlemen:

This letter is to advise you that Centennial Resource Production, LLC has filed the enclosed amended application with the New Mexico Oil Conservation Division. This application will be set for hearing before a Division Examiner at 8:15 a.m. on February 7, 2019. The hearing will be held in Porter Hall in the Oil Conservation Division's Santa Fe Offices located at 1220 South Saint Francis Drive, Santa Fe, New Mexico 87505. You are not required to attend this hearing, but as an owner of an interest that may be affected by this application, you may appear and present testimony. Failure to appear at that time and become a party of record will preclude you from challenging the matter at a later date.

Parties appearing in cases are required by Division Rule 19.15.4.13.B to file a Pre-hearing Statement four days in advance of a scheduled hearing. This statement must be filed at the Division's Santa Fe office at the above specified address and should include: the names of the parties and their attorneys; a concise statement of the case; the names of all witnesses the party will call to testify at the hearing; the approximate time the party will need to present its case; and identification of any procedural matters that are to be resolved prior to the hearing.

If you have any questions about this matter, please contact Taylor Thoreson at (720) 499-1460 or Taylor.Thoreson@cdevinc.com.

Sincerely,

Jordan L. Kessler
