My understanding is that with the withdrawal of Mewbourne's protest, there is no need for a hearing and Strata's application can be addressed administratively under 19.15.26.8(C) NMAC. Please let me know if this understanding is incorrect.

Ms. Shaheen:

One additional question related to the associated case, Case No. 20209. Is it Strata's intension to present a case at hearing for the review of the C-108 application for its Sandy Federal SWD No. 10? It would help us in determining how much preparation would be required for tomorrow's schedule. Thank you. PRG

Ms. Shaheen:

You have stated that your client is no longer interested in pursuing the case, but for clarity and for the record, I am verifying that it is your intent (as counsel for applicant) is for the case to be dismissed. Thanks. PRG
