Land owners in M & W #3 Subdivision are filing this objection:

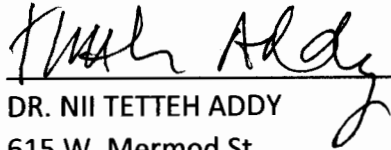

JOSE AGUILAR and DR. NII TETTEH ADDY are adjacent land owners to Lot 1 of M & W #3. It is assumed that the proposed well site is on Lot 1. That was the location of the well site stake.

FRANK O. WITT and JAMES S. WITT III have land holdings in M & W #3 Subdivision.

The covenants that are recorded restrict any commercial activity. The wording in Section 22 on Page 8 is as follows: "No tract shall be used for any kind or character of business or commercial purpose".

We hereby object to any commercial activity within M & W #3 Subdivision and request a hearing to voice our position.
