---

Hello –

COG Operating and V-F Petroleum have entered into an agreement regarding the proposed SWD. Accordingly, V-F will be filing a withdrawal of its protest today. In absence of protest, Concho requests this application be remanded back to the administrative approval process. NGL entered an appearance in this matter and does not object to Concho's request for remand.

Thank you for your time and attention to this request.

Sincerely,  
Ocean
