To: New Mexico Oil Conservation Division
1220 S. St. Francis Dr
Santa Fe NM 87505

Subject: Prehearing statement of Sherry
Harper-Wolf regarding application to
drill a salt water disposal well by
Solaris Water Midstream LLC
Case # 20733.

To: Whom it may concern,

Reference P 3 of a letter to me
by James Bruce, attorney for Solaris
Water Midstream LLC ... the following
is submitted as my pre-hearing statement:

- ① I am part owner of the mineral
rights affected by this well application.
- ② I am considered as one of the
objecting persons.
- ③ I will not be attending this hearing
on September 19th as a legal
fight against the oil lobby and its
overservers i.e.; New Mexico Oil Conservation
Division is unwinnable from a
legalistic perspective.
- ④ I see this action is morally and
spiritually contrary to God's intentions
of granting us dominion of this "earth"
 - A. Dominion does not mean "ownership!"
 - B. Accepting "payment" implies agreement
to allow... blood money as such!

⑤ As a real Christian, I have asked
The Lord Christ Jesus to attend this
meeting on my behalf. You may
not know or even believe He is
in attendance but I assure you ...
He will be!

A. He will evaluate your procedures,
your motives and your decisions.

B. I have personally asked of
The Father, in the Name and
Authority of Our Lord Jesus
to judge the actions of this
case and any similar ones ...
for His Judgement for the
victims of these "Systemic"
abuses.

⑥ To proceed is to challenge; be aware
of, understand and accept responsibility
for actions taken as a result of
this legal procedure.

⑦ Thank you for listening ... I believe
God's been waiting for someone to
light the fuse of the last chapters
of the Book of Revelation. Wouldn't it
be cool if that honor was reserved for
you all?

③

⑧ I am providing a copy of my statement
to:

P.S. Can. any of you - in good conscience -
pass these abominations to the generations
that follow?
